WELCOME BACK TO A BUSY BUSY TERM

The Spring break has come and gone and hopefully every school in Britain is back to normal as it seems to have been very confusing with some areas in the country in school and some off. We are now back into the final term of the school year - one of the busiest terms too especially when you look at the list of events which are happening before we finish for the Summer.

There are many superb events and opportunities available for both children and parents over the next few months and we are sure the pupils will continue to work as hard and as enthusiastically as ever. Every visitor to the school always remarks about the wonderful atmosphere and how calm the children are. It is always a delight to show people around.

AUTISM AWARENESS

This year's theme was "Light It Up Blue" for greater understanding and acceptance of autism. The children had the opportunity to learn about it this week in class using materials from the National Autistic Society and in a special whole school assembly.
