Changes to Christmas Performances

As the hall has a reduced capacity, there will have to be changes to the number and size of Christmas performances.

Year 2 will have a whole year group Christmas production as in previous years, but the new Reception classes will be having individual performances.

However, Year 1 will not be able to do a performance at Christmas due to the constraints of time and space in school. They will give individual class performances to parents before Easter. On a positive note, it does mean that we should be able to offer more tickets per child so more members of the extended family will be able to watch.

NEW MENU

Sefton have started a new school dinner menu today and there is a complete overview of the meals available for each of the three weeks attached to this newsletter. Please keep this and refer to it or the relevant section of the school website.

Term Dates

The term dates for 2018-19 are on the school website, so parents and carers can start to look at ensuring that any holidays are taken out of term-time.
