## EXCELLENT ATTENDANCE IS VITAL TO YOUR CHILD'S SUCCESS IN SCHOOL

The first few months of school has come and gone and this term's attendance and punctuality is being monitored. This is done every month by Mr. Dumbell and every half-term by the Governors to ensure that children are given the best opportunity of being able to learn and achieve their best - **by being in school regularly.**

This expectation is something that we **all** need to follow in the world of work and is a very good habit to get into from an early age. That is why it is very important.

Children, who have poor attendance, **do not do well at school** and **persistent absence** is a bad habit we do not want to encourage children to get into.

**THE NEXT MENU is Week 3**

See the Parents section of the school website for full details of the menu.

## SEND IN YOUR CHILDREN'S UNIVERSITY PASSPORTS

Please send in your Children's University passports by **Friday 24th November** so that last term's credits for clubs and events outside school can be updated onto our system.

Further information about Children's University is in the Parents section of the school's website.

## YEAR 5 MINI POLICE KEEPING ROADS SAFE FROM SPEEDING MOTORISTS

A group of our Year 5 Mini Police were very busy recently supporting Merseyside Police to take part in the NSPCC National Speed Campaign week of action in Ainsdale.

Their role was to raise awareness in the community about the dangers of speeding and to assist the police teaching those drivers, who were stopped for speeding or dangerous driving. During this amazing opportunity, our Mini Police got to use a wide variety of police equipment and see first hand how the police monitor traffic and stop vehicles that were speeding.

They even got to talk to the drivers who were stopped, as an alternative to a fine and penalty points being put on their licence. All the Mini Police agreed it was a memorable occasion. Many thanks to Merseyside Police for making the event such a great day.

## CHRISTMAS DINNER FINAL REMINDER DON'T LET YOUR CHILD MISS OUT!
