ASPIRE, RESPECT and ENJOY

Issue 2 - Friday 14th September 2018

## WELCOME TO OUR NEW RECEPTION CHILDREN

Our new Reception children from 21 nurseries have started their Norwood careers this week with morning or afternoon visits. They have really settled well into their new surroundings and classes and look fabulous in their new uniforms.

91 children from 7 different countries have joined us at Norwood to make us even more diverse culturally.

We would like to welcome all the new children and parents and look forward to working with them over the next seven years to make their time at Norwood an enjoyable, safe and happy time.

## KEEPING NORWOOD CHILDREN SAFE

A major priority of our role at Norwood is ensuring that our children are safe at all times and as the school is getting bigger and has more and more children, we have made some changes to our supervision on the playground.

- All playground staff (before school, mornings and lunchtimes) are wearing "Hi Vis" vests and have access to walkie-talkies.

- School staff will be supervising the gates at the end of school, to ensure that if any younger children are alone, they can be reunited quickly with their parents.

## CONGRATULATIONS TO OUR Y6 LEAVERS' AWARD WINNERS

The end of the school year always sees Y6 children celebrating their time at primary school with funny tales and sad stories of their seven years at Norwood.

The annual Year 6 Leavers' Service at Leyland Road Methodist Church is always a very emotional time for children and parents and culminates in the presentation of trophies for seven children who have stood out during their time at Norwood. All leavers were presented with a special memory from the PTA to remember their time here.

We thank the children for all they have done to make Norwood a superb school and for upholding the Norwood values of **ASPIRE, RESPECT and ENJOY**. Also, we would like to thank parents for their support over this period and even longer for some!

We now wish them all well as they have moved on to the next stage of their education at high school.
