## KEEPING OUR CHILDREN SAFE ONLINE WITH SAFER INTERNET DAY

Further information for parents is available from [saferinternetday.org.uk](https://saferinternetday.org.uk) and the school website.

Next week Norwood children will be reminded about keeping safe on the internet through a range of activities organised by Mr. Dempster and Mrs. Fessey (our Computing Team). This year's theme is **'Together for a Better Internet'**.

As well as thinking about all the amazing things we can do on the internet, we will reflect on the problems children face when using a tablet or a mobile phone as well the use of AI for KS2. This will reinforce our regular work on online safety in our RHE lessons. The children will also be having some time next week to try a range of activities and watch videos from the CEOP and Thinkuknow websites.

## 'A' TEAM NARROWLY MISS OUT IN LAURIE PARR CUP MATCH

Leo T, Jake R, Albie W, Declan P, Hayden V-R,  
Oliver M, Teyah M, Jack H, Charlie C and Sam G

Norwood's 'A' football returned to action yesterday with a game against Birkdale Primary in the Laurie Parr Cup. Norwood started brightly and found themselves 1-0 up thanks to a Charlie C header, assisted by Albie W. The A team continued to put pressure on their opponent's defence, but weren't able to add to their lead. Shortly before half-term, Birkdale equalised and were building momentum going into the second half. The pressure soon paid off for them, as they scored again to take the lead. The A team thought they had equalised after a goal line scramble, but unfortunately the referee judged that the whole of the ball hadn't crossed the line. Despite a push from our team late on, which saw lots of chances created, we weren't able to pull level. The final score was Birkdale 2 Norwood 1 with Sam given Player of the Match for a string of stunning saves in the second half.

## URGENT REQUEST FOR YOU ARE AMAZING!

We know that many of our fantastic Norwood pupils achieve great things outside of school and we would love to celebrate their successes with them and everyone else at Norwood.

If your child has been recognised for their aspirations, and you'd like to share their achievements, let us know.

Photos and information will be shared with the whole school on a display board by the office and will be regularly renewed as more and more photos come in.

We look forward to seeing what amazing talents your children have!
