KEEPING OUR CHILDREN SAFE ONLINE WITH SAFER INTERNET DAY

Next week, Norwood children will be reminded about keeping safe on the internet through a range of activities organised by Mr. Dempster and Mrs. Fessey (our Computing Team). This year's theme is "**Too Good to be True**".

As well as thinking about all the amazing things we can do on the internet, we will reflect on the problems children face when using a tablet or a mobile phone as well the use of AI for KS2. This will reinforce our regular work on online safety in our RHE lessons. The children will also be having some time next week to try a range of activities and watch videos from the CEOP and Thinkuknow websites.

Further information for parents is available from saferinternetday.org.uk and the school website.

NORWOOD RUNS AT THE COUNTY CHAMPIONSHIPS

It is always brilliant to see our children taking their love of a sport or activity to a higher level. Last Saturday, we saw this in abundance with twelve children running at the Merseyside Cross Country Championships in Crosby.

Some of our children were wearing the running vests of Sefton as they were selected to represent the borough, while others were representing Norwood. This event is a much higher standard than they had previously encountered. With the terrain and the weather proving challenging, all children ran superbly yet again and really pushed themselves out of their comfort zone. What true Norwood role models!

To cap it all, because of their high finishing positions, Scarlett L, Amelie R, Sam C, Jessica T and Marcus L have been invited to represent Merseyside in the National Championships at Loughborough in March. This is a brilliant achievement indeed!

Representing Norwood: Francesca B, Harry S, Zara B, Lauren B and Alice D

Representing Sefton: Scarlett L, George H, Sam C, Amelie R, Phoebe C-S, Jessica T, Marcus L and Tom C

THE ONLY CLUBS ON NEXT WEEK ARE THE 'A', 'B' AND 'C' FOOTBALL TEAM PRACTICES.
