Her confidence as during lock down amelia lost all her confidence in her school work and did not want to do it so the more contact with teacher and friends is best for her

To be able to get feedback and communication with her teacher.

As long as she reading regularly and enjoying doing her school work I'm happy. At this age, and especially with having a toddler at home demanding attention, her well being is more important.

Books for reading rather than on line books, leads to child wanting screen

Not falling behind
