Friday 11th November 2022

## **THANK YOU FOR YOUR SUPPORT DURING THE OFSTED VISIT**

*Five years after our last OFSTED inspection, this week we were visited by a HMI OFSTED inspector to review the progress of the school since 2017 and to see if we could be officially reclassified as a GOOD school. They observed Phonics, Geography and Science lessons, reviewed children's books, completed meetings and interviews with a whole range of staff, pupils, Governors and parents and undertook lots of enquiries to check if we knew our strengths and area for improvement but mainly that we were providing a safe and effective school for the children of Norwood.*

*The final report will be available in a few weeks after it has been cross-checked, but I can say that the inspector really enjoyed her visit and getting to know what Norwood is about.*

*Thank you to all parents and carers who completed the questionnaire, spoke individually to the inspectors and showed their complete support for Norwood, the staff and the pupils. It is so pleasing to have so much parental support during such a stressful time and knowing that people work together for the good of all Norwood children.*

### **NORWOOD'S P.E. KIT POLICY FINAL REMINDER**

We would like to remind parents and children AGAIN about our P.E. kit policy.
